

# Canvas Storage

Canvas Storage is multifunctional storage that routes power and data and houses personal items and work tools. More than a place to keep your things, the system supports work surfaces and provides seating for colleagues who stop by to chat. Multiple material options harmonize with the rest of the Canvas Office Landscape.

## Designers

Jeffrey Bernett and Nicholas Dodzuik

## Benefits

- Provides versatile function
- Makes the most of real estate
- Offers extensive choices

## Warranty

12-year, 3-shift
